Hi Sadie: Valois and Craig plan to update me on the DB briefing process when I return on Monday. If you wish, we can meet and discuss this or other items (e.g., OW Review) when you have time later in the day.

Thanks Valois. Did it get to Debra so she can hand carry? Again many thanks. Have a great evening.

Callie had a few minor changes & wanted to take out permit conditions that may raise concerns for industry until we have a chance to brief her on them. The corresponding figures have also been removed. You current figures are OK, except now Figure 10 is Figure 7.
